

Highlight Film Networking

Vision Athletics provides highlight film networking for our student-athletes when choosing this service. We will communicate with college coaches in all post-secondary institutions based on our evaluation and best chances to get recruited. All student-athletes are evaluated by trained professional scouts and provided detail information along with our professional evaluation service.

Overview

- Highlight films are evaluated and if changes are needed to be implemented, professional scout will suggest details to why changes need to be made.
- Provide potential recruits with some professional feedback that will help them receive an opportunity to elevate their highlight film.
- Create Scout Profile and Scouting Report for each player so scouts can have an idea analysis of players stats and skill development.
- Network highlight film to post-secondary institutions in the United States.
